Welcome to San Jose Chapter of ASG

Site membership at ASGsanjose.org

All current ASG San Jose Chapter members have access to the Members Only page.

New Members will receive an email asking them to set up their Password & must follow the on-screen directions to establish their passwords and should be sure to use the email address they used initially to establish their membership at ASG.

New members have been added to the chapter "site member" website list but a new password needs to be created. The initial email password is active for 30 days. If you are unable to locate the email use Option B. *** An Exception is found at end of document.

Option A.

Step 1. Locate the email in you inbox and be sure to check your junk mail for the email. Click on <u>Create New Password.</u>

A	ASG.SanJose Create Your New Password To: Your ASG membership address	🕒 Inbox - iCloud	12:57 PM
	Hi Your Name To create your new password, click on the link below. <u>Create New Password</u> Thanks!		
	Please do not reply to this email		

Step 2. Follow the prompts

Create New Password

Enter your new password below	Your password has been changed.
Re-type password	ОК
Create Password	Success

Option B.

Unable to locate Create New Password Email

IF you can't locate the email for <u>Create New Password</u> in your inbox or junk mail or it has expired. (It its good for 30 days) You can try to create you new Passwords by doing the following. Your email address has already been added to the Site Member - San Jose Chapter list by the Web Management team.

Step 1. From the drop down menu on the log in menu, Click on Log In or it may say <u>Hi, Your name</u> (next to the shopping bag in upper R corner).

Step 2. This will bring you to the next Form - The Sign Up Form. Do <u>Not</u> fill it out but go to the bottom Right on the form is the **Log In** "button" Hover over the Log In and you should see a hand or something similar and click again.

Log In Form.
Please Check Your Email We sent a link to set your new password by email.
After entering your email you should see this form.

Step 3. Locate in you inbox the new Create New Password email. Click on Create New Email.

Step 4. Which will take you back to the website and then follow the prompts to create your new password.

Option C.

Reset Password by Web Management team.

 Email a website management team member (<u>WebManager@ASGSanJose.org</u>) and request for the "Forgot Password" we will need to manually reset the Forgot Password and you will still need to find the Create New Password email and complete the prompts. How quickly we are able to reply to this depends on what we are sewing or if we are sitting at our computers. (We all prefer to be sewing!)

Just to remind you the email that you have with national is the email that was used by the website team to begin the "site" membership SignUp/Log In.

Example: Create New Password email going to junk mail folder

FYI.

- The email address that you used to sign up for ASG is the Log In email that you will be using. An added security has been added to the website as of 9/2022 & you should not have to enter the 6 digit code that would have been asked for nonmembers to use during the Sign Up process. If for some reason you are asked, just follow the prompts during the sign up and if you are unable to access the Members Only page, please contact the Web Management team WebManager@ASGSanJose.org and we will check the settings on our end and work to resolve the issue.
- reCaptcha from Google is turned on. (the check off item pictures) and if you are having problems with this element unfortunately we are not able to make any changes with the reCaptcha. Wix has informed us that it is a problem with the users computer. If you get stuck in an endless loop with reCaptcha the best advice we found was to close you internet browser and start again. Thank you for your understanding.
- Some members have found that it could take longer than expected to receive the <u>Create New</u> <u>Password</u> (up to 40 minutes) so please be patient
- 2023 March update. Some of the screens may look different than pictured here, Wix the web host for our website has made a few changes, but it takes you to the "same" place to create your password.

*** Exception. In early 2023 Wix has changed the log on for Wix Collaborators. If you have helped with an event, workshop or have access to any of the settings for the ASGSJ website - you are a Collaborator! The Log On to the Members only page is the same as your Wix log on. You may need to use the Forgot Password to reset you password for the members only page. The option C is no longer an option. This applies to only current collaborators, if you are unsure please contact webmanager@asgsanjose.org

• Thank You for your understanding
