

Next step for Zeffy!

The Chapter opened up a Zeffy account in 2023 for donations. We are adding Zeffy as a manual payment option for event sales on the Chapters website. To refresh your memory Zeffy is a software company that specializes in fundraising for Nonprofits. They do not charge credit cards fees to the chapter but rather asks for a donation from the person donating online to cover the cost of the credit card transaction. The donating to Zeffy is **optional**. The person purchasing a ticket does need to read the online Form carefully & use the drop down arrow and select other if they want to donate a different amount than what they suggest. The amount that Zeffy suggests is a high percentage but we currently pay 2.9% + \$.30/ transaction on Square. Just to refresh your math that if you want to donate 3% to Zeffy with a \$45 ticket just multiply $45 \times .03 = \$1.35$.

To learn more about Zeffy please visit the website. <https://www.zeffy.com/>

For any event that is offering the option to pay with Zeffy you will select Manual Payment in the checkout page. The link to pay with Zeffy will be in the confirmation email for that event.

Please do consider to use Zeffy for ASGSJ online event sales. By using Zeffy you are helping your ASG chapters bottom line.

Below are some screen shots of a "Test" Event Form. This is the screen that you will see after you have selected the type of ticket(s) that you wish to purchase.
