

Zeffy

The Chapter has opened up a Zeffy account. Zeffy is a software company that specializes in fundraising for Nonprofits. They do not charge credit cards fees to the chapter but rather asks for a donation from the person donating online to cover the cost of the credit card transaction. The donating to Zeffy is **optional**. The person donating does need to read the online Form carefully & use the drop down arrow and select other if they want to donate a different amount than what they suggest. Please read the screen shots below. The amount that Zeffy suggests is a high percentage but we currently pay 2.9% + \$.30/ transaction on Square. Just to refresh your math that if you want to donate 3% to Zeffy with a \$75 donation just multiply $75 \times .03 = \$2.25$.
